OUR PURPOSE

The Hole in the Wall Gang Camp provides “a different kind of healing” to children with serious illnesses and their families through year-round programs celebrating the fun, friendship and spirit of childhood.

OUR GOAL

To create ongoing Camp connections that build a joy-filled, inclusive community where children – and families in all the forms they come in – are not alone in their challenges and more than a diagnosis. All programming is intentionally designed to meet every individual’s unique needs and offered at no cost to families thanks to the generosity of others.

OUR IMPACT

Through overnight camp experiences supported by a significant, yet unobtrusive medical presence as well as off-site Family and Hospital Outreach programming, Hole in the Wall serves thousands of children and family members annually throughout the Northeast and Mid-Atlantic.

OUR FOUNDER

A legendary actor and visionary philanthropist, Paul Newman founded The Hole in the Wall Gang Camp in 1988 so children with serious illnesses could just be kids, and “raise a little hell” while experiencing diverse and transformational friendships that go hand-in-hand with Camp. Paul’s innovative spirit, creativity and playfulness remain at the heart of all Hole in the Wall programming. His legacy is carried on each year by the thousands of donors, volunteers, staff and other friends who have made his dream their own.

CONGRATULATIONS TO DEAN AND MARIANNE METROPOULOS

With grateful hearts, The Hole in the Wall Gang Camp and its Board of Directors celebrate the commitment of Dean and Marianne Metropoulos for their unwavering and passionate support of our children and families. What began as a meaningful friendship with our Founder more than 20 years ago has blossomed into a deep care and love for those we are so privileged to serve.

Dean and Marianne have stood faithfully by our side, allowing Hole in the Wall to dream the biggest dreams possible.

Whether sponsoring Camp events, answering the call for renovations of the cabins or stepping up following the fire to create the Serenity Room, a special parent and caregiver space in the new Creative Complex, their extraordinary generosity is an enduring testament to their compassion and concern for Camp's families.
