

# Creative Questionnaire

(Fun & Optional)

What do *you* see below? Create something! Use any medium you want: draw, write, paint, etc. Bust out your glitter pens and glue sticks! Just have fun, because that's the point.

Remember, everyone is creative in different ways, and that is what makes HOP work! We promise not to judge your artistic experience or uniqueness. This is not meant to be stressful. Just have fun and express yourself!
