### **OUR PURPOSE**

The Hole in the Wall Gang Camp provides "a different kind of healing" to children with serious illnesses and their families through year-round programs celebrating the fun, friendship and spirit of childhood.

## OUR GOAL

To create ongoing Camp connections that build a joy-filled, inclusive community where children – and families in all the forms they come in – are not alone in their challenges and more than a diagnosis. All programming is intentionally designed to meet every individual's unique needs and offered at no cost to families thanks to the generosity of others.

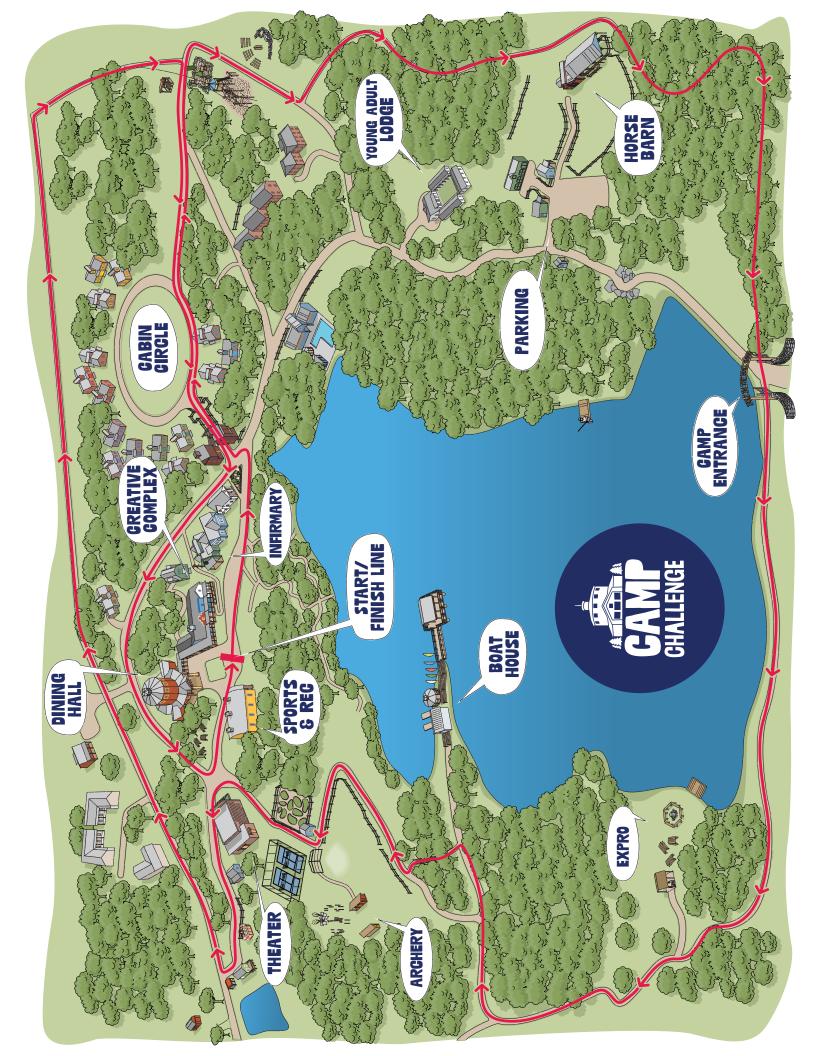

### **OUR IMPACT**

Through overnight camp experiences supported by a significant, yet unobtrusive medical presence as well as off-site Family and Hospital Outreach programming, Hole in the Wall serves thousands of children and family members annually throughout the Northeast and Mid-Atlantic.

# OUR FOUNDER

A legendary actor and visionary philanthropist,
Paul Newman founded The Hole in the Wall Gang Camp
in 1988 so children with serious illnesses could just be
kids, and "raise a little hell" while experiencing diverse and
transformational friendships that go hand-in-hand with
Camp. Paul's innovative spirit, creativity and playfulness
remain at the heart of all our programming. His legacy
is carried on each year by the thousands of donors,
volunteers, staff and other friends who have
made his dream their own.

### THANK YOU

Thank you for championing the spirit of childhood, the sound of laughter and the feeling of endless possibility! Your generosity provides hope, joy, and the healing power of Camp to thousands of children with serious illnesses and their family members — all completely free of charge.

"YES! YES! YES!" to our Cabin Circle teams and others who raised \$2,500, a "campership," supporting the costs of sending one child to Camp for a transformational week-long summer session.

# AND THANK YOU TO OUR SPONSOR AND POSSIBILITY PARTNER
