- Use glue dots to stack the popsicle sticks to look like campfire logs
- Glue pieces of tissue paper on the outside of plastic cup to look like fire
- Turn on a tealight candle and hot glue it into the middle of the logs
- Glue the cup upside over the candle
- Glue cotton balls on craft stick to look like a marshmallow
- **Watch your campfire burn!**

# BEADED FRIENDSHIP BRACELETS

## Materials:

- Elastic Bracelet String Cord
- Acrylic Letter Beads
- Acrylic Shaped Beads
- Seed Beads
- Clay Beads Bracelet Making Kit

## Instructions:

- Lay out materials on a clean, flat surface. Organize beads and cords.
- Decide on the design and color scheme for your friendship bracelets. Mix and match different types of beads or stick to a specific theme.
- Measure and cut a length of Elastic Bracelet String Cord to fit around your wrist comfortably, adding a few extra inches for tying knots.
- String your beads onto the cord in your desired pattern or arrangement. Spell out words or names, create patterns with the seed beads, or add accents with the acrylic heart and star beads.
- Tie ends of the cord securely with a double knot. Trim excess cord if necessary.
- If you have a Clay Bead Bracelet-Making Kit, you can incorporate some of the clay beads as well. String them onto the cord along with the other beads.
- After tying off the ends of the bracelet, gently stretch it to ensure it's secure and comfortable. Trim any excess cord if needed.
- Once your bracelets are complete, share them with friends as tokens of your friendship, or wear them proudly as colorful accessories!
- **Have fun crafting and spreading joy through handmade friendship bracelets!**
