## OUR PURPOSE

The Hole in the Wall Gang Camp provides “a different kind of healing” to children with serious illnesses and their families through year-round programs celebrating the fun, friendship and spirit of childhood.

## OUR GOAL

To create ongoing Camp connections that build a joy-filled, inclusive community where children – and families in all the forms they come in – are not alone in their challenges and more than a diagnosis.

All programming is intentionally designed to meet every individual’s unique needs and offered at no cost to families thanks to the generosity of others.

## OUR IMPACT

Through overnight camp experiences supported by a significant, yet unobtrusive medical presence as well as off-site Family and Hospital Outreach programming, Hole in the Wall serves thousands of children and family members annually throughout the Northeast and Mid-Atlantic.

## OUR FOUNDER

A legendary actor and visionary philanthropist, Paul Newman founded

The Hole in the Wall Gang Camp in 1988 so children with serious illnesses could just be kids, and “raise a little hell” while experiencing diverse and transformational friendships that go hand-in-hand with Camp. Paul’s innovative spirit, creativity and playfulness remain at the heart of all Hole in the Wall programming. His legacy is carried on each year by the thousands of donors, volunteers, staff and other friends who have made his dream their own.

## CONGRATULATIONS TO CHRISTINA AND JOHN HORNER

On behalf of The Hole in the Wall Gang Camp and its Board of Directors, we celebrate the commitment and unwavering friendship of Christina and John Horner. Christina and John have both provided many years of dedicated leadership-Christina on the Board of Directors and John on the Finance Committee. They have also been firsthand facilitators of a “hole” lot of Camp fun, volunteering as cabin counselors and at Parent & Caregiver Retreats. Their exemplary generosity is an enduring testament to their care and concern for Camp’s children and families, supporting the expansion of Family Outreach programming while also allowing Hole in the Wall to dream its biggest dreams for the future.

With grateful hearts, we present Christina and John Horner with the “Most Wanted” Award on this 24th day of September 2022.
