#### **Job Summary**

The night nurse is responsible for nursing care of all campers in the overnight hours. The overnight nurse provides care to campers scheduled to sleep in our "Moose Lodge" -

housing designated for campers that require overnight nursing care. The night nurse also serves as "first call and triage" for any walk-in or urgent needs overnight, both for campers, volunteers and staff. The Moose Lodge typically houses 3-4 campers per session. The night nurse will also care for any campers admitted to the Infirmary for acute needs in the overnight hours. This position requires strong communication, critical thinking, assessment and technical nursing skills.

**Job Responsibilities:**

- Provide nursing care to Campers aged 7-15 in the traditional summer program. This includes medication administration (PO, GT/JT, SQ, inhaled and topical), procedures (IV placement, blood draw, wound care, etc.), assistance with ADLs, and emergency care.
- Responsible for the care of Moose Lodge Campers, inpatient Campers, and walk-ins overnight (8pm-8am).
- The night nurse will communicate with day staff prior to and following each shift to ensure proper continuity of care.
- Serve as a role model and provide support to infirmary volunteers.
- Support, model, and participate in COVID safety protocols and procedures including mask wearing, appropriate distancing, handwashing, etc.
- Participate in camper COVID response protocols including screening, testing, transporting, and caring for Campers under investigation or with confirmed covid-19.

**Reports to:**

The Night Nurse directly reports to the Director of Nursing.

**Our Commitment to Diversity**

In keeping with Camp's core values, Hole in the Wall fosters a community of purposeful inclusion through a commitment to diversity and equity.
