

Per Diem Nurse Job Description

Job Requirements

- Must be at least 18 years of age.
- Registered Nursing Degree (BSN preferred).
- Current Connecticut RN license (prior to arrival at Camp).
- Current CPR certification.
- Current PALS (Pediatric Advanced Life Support) certification (prior to arrival at Camp).
- Must be physically and mentally capable of handling the care of campers.
- Be familiar with and enforce all safety policies, emergency policies and Camp policies.
- Serve as a role model and provide support to Camp volunteers.
- Commit to fostering a community that celebrates inclusivity and our Camp values, which are inclusion, gratitude, possibility, friendship and safety.
- Be flexible with the changing needs of the program.
- Comply with and remain flexible with COVID-19 specific precautions and requirements through the duration of the program, as outlined/advised by the CDC and the Hole in the Wall Medical Team.
- The ability to work with a diverse community in a multicultural environment.
- Perform other duties as deemed necessary by Camp leadership.
- The time commitment is June through August 2025. Per Diem Nurses are required to complete 4 shifts (12 hours) per month for the duration of the contracted period.
- Pediatric inpatient and pediatric emergency nursing experience is valued.

Job Summary

The Infirmary hires Per Diem Nurses to complement the residential nursing team within our traditional summer program. Per Diem Nurses work as a team, along with the rest of our infirmary staff, to manage both scheduled and walk-in needs of campers, dispense medications, chart in the electronic medical record and triage needs. Per Diem Nurses are also an integral part of our emergency response team.

Job Responsibilities

- Provide nursing services to Campers and families in accordance with the standards of practice of a professional nurse, The Hole in the Wall Gang Camp's policies and procedures, state and federal regulations.

- Demonstrate clinical expertise and use the nursing process to provide safe, appropriate patient care to the Camp population according to Camp’s policies and standards.
- Make clinical and procedural decisions using the nursing process.
- Provide primary nursing care to Campers aged 7-15 in the traditional summer program. This includes medication administration (PO, GT/JT, IV, SQ, inhaled, and topical), procedures (IV placement, blood draws, wound care, etc.) assistance with ADLs, assistance with meal planning, supervision at high-risk activities and emergency care.
- Triage acute issues among campers and staff.
- Support, model and participate in COVID-19 safety protocols and procedures including mask wearing, appropriate distancing, handwashing, etc.
- Participate in Camper COVID-19 response protocols including screening, testing, transporting and caring for Camper under investigation or with confirmed COVID-19.
- Serve as a role model and provide support to infirmary volunteers.

Reports to

The Per Diem Nurses directly report to the Director of Nursing.

Our Commitment to Diversity

In keeping with Camp’s core values, Hole in the Wall fosters a community of purposeful inclusion through a commitment to diversity and equity.
