Job Summary

The Adolescent Young Adult (AYA) Program Nurses will support the AYA programs, including the Hero's Journey and Champion's Journey Programs. The AYA Nurses will be the first point of contact and primary nursing care team for participants in the AYA Program in the daytime and overnight hours. The AYA Nurses work in the wilderness and traditional Camp environment to manage all nursing care needs of program participants, including dispensing medications, charting in our electronic medical record and triaging needs. The AYA Nurses live alongside program participants in the wilderness environment (tents, yurts, cooking fireside) for the duration of the Hero's Journey program. The Champions Journey program provides traditional camp accommodations with temperature-controlled sleeping quarters and meals provided in Camp's Dining Hall. The AYA Nurses ensure safe and appropriate engagement for all program participants through close collaboration with Camp's Program Team and Medical Leadership Team. The AYA Nurses provide onboarding and support for new medical volunteers each Camp session to serve as valued

members of the Medical Team.
