- Foodservice experience and/or ServSafe Certification preferred.
- Physically and mentally capable to handle the care of campers.
- Be familiar with and enforce all safety, emergency, and camp policies.
- Serve as a role model and provide support to Camp volunteers.
- Commitment to foster a community that celebrates inclusivity and our camp values, which are inclusion, gratitude, possibility, friendship and safety.
- Be flexible with the changing needs of the program.
- The ability to work with a diverse community in a multicultural environment.
- Perform other duties as deemed necessary by Camp leadership.
- Comply with and remain flexible with COVID-19 specific precautions and requirements through the duration of the program, as outlined/advised by the CDC and HITWGC Medical Team.
- Self-motivated and directed, strong communication skills required.
- All positions are residential and are hired for the duration of our summer program. The time commitment is mid-June to mid-August.

Job Summary

The Dietary Intern will work to provide safe, nutritious, and appropriate meals to campers with severe allergies and medical dietary needs. Diagnoses we serve include campers with metabolic and mitochondrial disorders, PKU, diabetes, and multiple severe food allergies. Our year-round Registered Dietitian Consultant will provide support to the dietary intern and will provide meal planning for protein- restricted campers. The dietary intern will plan, cook, and provide meals and snacks for all campers with severe and less severe dietary needs. The dietary intern will act as a resource and support for all summer camp programs.

Job Responsibilities:

- Collaborate with Staff Nurses and Registered Dietitian Consultant to ensure the dietary needs of the campers are safely met.
- Collaborate with Registered Dietitian Consultant to create meal plans with camper parents/guardians prior to camper arrival.
- Communicate supply and ingredient needs to Head Chef prior to camper arrival.
- Provide education and support to Cabin and Program Counselors with regards to campers' dietary needs.
- Prepare and serve meals in a timely manner for campers and staff with significant dietary needs including but not limited to severe food allergies, PKU, tyrosinemia, fatty oxidation disorders, diabetes, etc.
- Plan and prepare safe snack bins for all campers as well as options for campers with significant dietary needs.
- Meet with camper parents/guardians on opening day to ensure meal plan and collect camper meal supplies.
- Maintain campers' personal food in an organized and sanitary manner.
- Monitor and document camper Phenylalanine, fat, carb, etc. intake as necessary.
- Maintain cleanliness and sanitation of meal preparation area.
- Maintain camp standards of confidentiality with regard to camper medical records.
- Support, model, and participate in covid safety protocols and procedures including mask wearing, appropriate distancing, handwashing, etc.

Reports to:

The Dietary Intern directly reports to the Director of Nursing and Clinical Operations.

Our Commitment to Diversity

In keeping with Camp's core values, Hole in the Wall fosters a community of purposeful inclusion through a commitment to diversity and equity
