#### **Job Requirements:**

- 18 years of age.
- All staff are required to have received the COVID-19 vaccine and be fully vaccinated prior to commencing employment.
- Registered Nursing Degree.
- Current Connecticut RN license (prior to arrival at Camp).
- Current CPR certification.
- Experience with nasal swabbing and POC testing preferred.
- Experience in EMR systems preferred.
- Excellent communication and critical thinking skills.
- Experience in a team environment.
- Physically and mentally capable to handle the care of campers.
- Be familiar with and enforce all safety, emergency, and camp policies.
- Serve as a role model and provide support to Camp volunteers.
- Commitment to foster a community that celebrates inclusivity and our camp values, which are inclusion, gratitude, possibility, friendship and safety.
- Be flexible with the changing needs of the program.
- The ability to work with a diverse community in a multicultural environment.
- Perform other duties as deemed necessary by Camp leadership.
- Comply with and remain flexible with COVID-19 specific precautions and requirements through the duration of the program, as outlined/advised by the CDC and HITWGC Medical Team.

#### **Job Summary**

The testing nurse will work with Camp's year-round Medical Team to assist with executing all aspects of Camp's COVID-19 testing initiative for staff, volunteers and program participants withing programming.

The testing nurse will assist with the screening for infectious disease as staff, volunteers and program participants arrive on Camp, specimen collection from adult and pediatric patients, documentation and processing of tests for COVID-19.

The testing nurse will be an integral member of Camp's Medical Team to ensure the health and safety of the Camp community.

**Job Responsibilities:**

- Assist in set up, assembly and coordination of all associated supplies for the COVID-19 testing site.
- Greet and screen staff, volunteers and program participants for symptoms related to COVID-19 and infectious disease.
- Complete POC specimen collection and processing from adult and pediatric patients, per protocol.
- Complete accurate patient documentation in EMR system.
- Maintain infection control and applicable lab processing standards and requirements.
- Provide results and educate patients on appropriate next steps based on results.
- Serve as a role model and provide support to infirmary volunteers.
- Perform other duties as deemed necessary by Camp leadership.

**Reports to:**

The Testing Nurse reports directly to the Nursing Coordinator.

**Our Commitment to Diversity**

In keeping with Camp's core values, Hole in the Wall fosters a community of purposeful inclusion through a commitment to diversity and equity.
