OUR COMMITMENT TO DIVERSITY

In keeping with
Camp's Core Values,
The Hole in
the Wall Gang Camp
fosters a community
of purposeful
inclusion through
a commitment
to diversity
and equity.

PURPOSE The Hole in the Wall Gang Camp provides
“a different kind of healing” to children with serious illnesses and
their families through year-round programs celebrating the fun,
friendship and spirit of childhood.

GOAL To create ongoing Camp connections that build a joy-filled,
inclusive community where children – and families in all the forms they
come in – are not alone in their challenges and more than a diagnosis.
All programming is intentionally designed to meet every individual's
unique needs and offered at no cost to families thanks to the generosity
of others.

IMPACT Through overnight camp experiences supported by a
significant, yet unobtrusive medical presence as well as off-site Family
and Hospital Outreach programming, Hole in the Wall serves thousands
of children and family members annually throughout the Northeast and
Mid-Atlantic.

FOUNDER A legendary actor and visionary philanthropist, Paul
Newman founded The Hole in the Wall Gang Camp in 1988 so children
with serious illnesses could just be kids, and “raise a little hell” while
experiencing diverse and transformational friendships that go hand-in-
hand with Camp. Paul's innovative spirit, creativity and playfulness remain
at the heart of all Hole in the Wall programming. His legacy is carried on
each year by the thousands of donors, volunteers, staff and other friends
who have made his dream their own.

CORE VALUES

OUR CORE VALUES GUIDE ALL ACTIVITIES & DECISION-MAKING.

SAFETY

We keep physical and emotional safety at the heart of everything
we do.

INCLUSION

We celebrate the individuality of all and stand against intolerance of
any kind as a community defined by compassion, respect and equity.

FRIENDSHIP

We create lasting connections by mixing a little bit of mischief with
plenty of love and laughter.

POSSIBILITY

We feel everyone inspired by Hole in the Wall should embrace
the world of possibilities Camp has to offer.

GRATITUDE

We bring a grateful heart to every day and every opportunity
we have to make a difference.

FROM THE BOARD CO-CHAIRS

This past year marked our first as Co-Chairs of the board of this incredible organization. Stepping into this role during such enormous growth has been both humbling and invigorating. What an honor it has been to be trusted to lead an organization that is making a powerful, healing impact on the lives of so many.

So much has already transpired since we took the reins from the indomitable Ray Lamontagne. In 2025, Camp completed renovations in Maryland, bringing us one step closer to the launch of family programming in spring 2026. Architectural planning for the future campus for camper independent programming also commenced. This is in addition to the continued growth and good work throughout our existing programs in Connecticut, hospitals and camper communities.

What a privilege it is to be a part of this important work that is bringing joy, hope and “a different kind of healing” to children and families struggling in the face of pediatric illnesses. We are so grateful to be surrounded by this extraordinary community, who stand steadfastly in Camp’s corner. Thank you for being a part of our Hole in the Wall family – we are excited for all that the future holds.

JIMMY CANTON FAREWELL MESSAGE

As I reflect on my final full year at Hole in the Wall, and the nearly 40 years of my time here overall, I can’t help but feel grateful. Over my tenure, which included roles in the cabins, as Camp director and finally as CEO, so much has changed in the best possible way. Camp has grown, expanding service offsite into hospitals and communities, while also building out critical programming to serve caregivers and siblings, as well as diagnosed campers. And now, we stand at the precipice of a thrilling new chapter, ready to welcome families to our Maryland location in the spring of 2026. I have been blessed to be a part of it all, and to have been surrounded by this dedicated community, whose generosity has allowed us to always dream the biggest dreams possible. Thank you for your friendship, and always standing by Camp’s side. I can’t wait to watch where you, and our talented staff, take Hole in the Wall next.

YOUR IMPACT

MARYLAND LOCATION

More than 50,000 square feet of program, residential and medical space renovated to serve families at eight upcoming Family Camps in 2026.

Architectural plans for camper-independent programming developed.

“I’m so excited to have another Camp a little bit closer to home because that 5-hour bus ride is A LOT even though it’s worth it to get to my favorite place. I’m also happy that kids like me who live in Maryland and Virginia will have an opportunity to experience everything that Camp has to offer. I know their experience at Camp will be just as magical as mine has been.”

~ Camper Taylor

CONNECTICUT LOCATION

Nearly 850 children with serious illnesses and siblings found joy, friendship and hope through overnight summer sessions and adolescent and young adult programming.

More than 1,400 children and family members enjoyed time to reconnect, relax and heal during 18 Family and Bereavement Camps.

“Layla came home different (or perhaps more herself than ever), empowered, lighter, more confident in who she is. She has made real connections and unexpected friendships that already feel like they’ll last a lifetime.”

~ Camper mom Meg

YOUR IMPACT

HOSPITAL OUTREACH PROGRAM (HOP)SM

More than **37,700 healing experiences**, including bedside visits, playroom group activities and hospital wide events, shared laughter and connection at **40 partner hospitals across 9 states and the District of Columbia.**

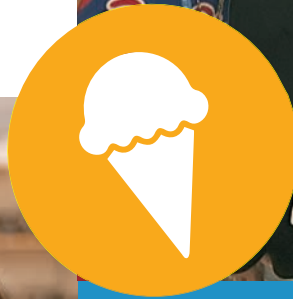

“Our 3½-year-old son, Declan, has a rare form of Stage IV cancer, and we spent over two months at Sibley for radiation treatment. I can honestly say that without [Hospital Outreach staff] Bryan’s compassion, energy and care, that time would have been far more difficult. Bryan’s interaction with Declan was that of a devoted family member. Endlessly patient, endlessly kind and endlessly creative. You gave us a port in the storm, and we will be eternally grateful to The Hole in the Wall Gang Camp.”

~ Camper dad Boston

FAMILY OUTREACH

More than **4,000 family members** found connection with those who understand across **168 Family Outreach activities.**

“It's amazing to me how the organization doesn't just take care of its kiddos, but the care-givers also. You help remind me that I'm on this journey too and that my health and wants and needs matter too. I couldn't find my winter hat and kept putting off buying a new one. I opened the care package and there were hats and gloves for all of us. You folks didn't have to do that, but you are constantly reminding us caregivers to take care of ourselves so we can be the best for our families.”

~ Camper parent

2025 FINANCIALS

To our donors, corporate partners and community of supporters and friends, we thank you for your collective generosity and for making 2025 a year filled with possibility at The Hole in the Wall Gang Camp.

Thousands of children facing serious illness and their family members were able to experience the magic of Camp throughout the Northeast and Mid-Atlantic — on site, in hospitals and clinics, and in countless homes and communities. Each moment reflected hope, healing and a shared commitment to our Founder’s vision. What a truly inspiring example of compassion in action.

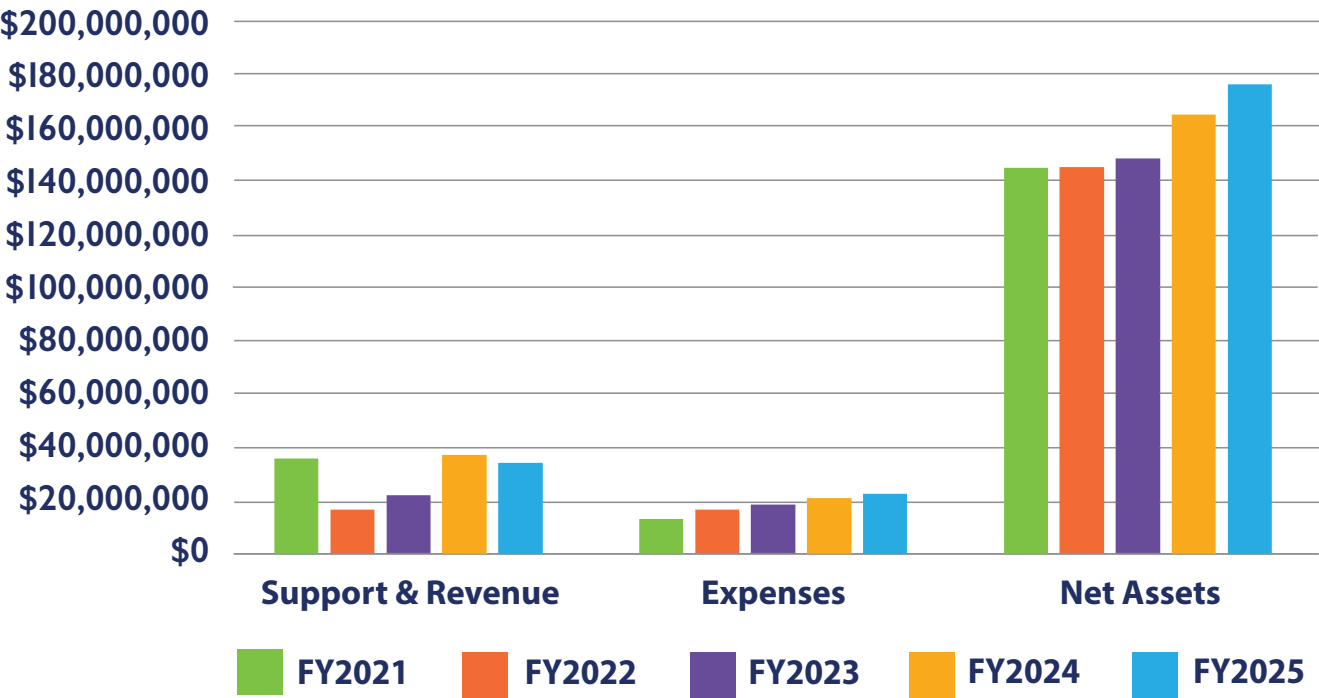

The majority of contributions received were directed to these life-changing programs, with the remainder carefully stewarded to protect and sustain Hole in the Wall well into the future. Your support has enhanced our programs and broadened access and continues to strengthen our endowment, ensuring Camp remains a place of joy and respite even in times of uncertainty.

We are grateful for the role you play, whether through financial support, partnership or volunteerism, to make Camp such a beautiful and special place.

OUR BENEFIT EVENTS

It was another amazing year for Camp's benefit events, which raised significant funds in support of Hole in the Wall programming. Kicking things off in April, the **31st Annual Beantown Bash** gathered more than 800 Camp friends at Boston Children's Museum for an evening filled with family-friendly activities, delectable goodies and local celebrities, including Boston Bruins alumni, Tuukka Rask, and New England Patriots Players, Brenden Schooler and Miles Battle. Many thanks to presenting sponsor, Ken's Foods, who rallied their community together to raise more than \$1.7 million.

Then, in September, **Once Upon a Camp: A Celebration of Hole in the Wall Stories**, brought together 250 guests at Camp for an afternoon and evening of magical fun, including food trucks, live and silent auctions, and the highlight of the evening – the

Fandango performance in the theater. Nine talented campers – Desiray, Fidel, Ismail, Matteo, Michaela, Quinn, Ren, Wyborn and Zuzanna – took to the stage alongside Sara Chase, Melinda Doolittle, Sidney Dupont, Ali Stroker, Vishal Vaidya and other sensational Camp friends for a show packed with funny skits, powerful musical numbers and inspirational Camp stories. This year's event raised a whopping \$1.18 million for Camp's programs.

Wrapping up the year in November in New York City, the **34th Annual Big Apple Bash** returned to Lincoln Center for a private performance of Big Apple Circus that wowed both supporters and camper families alike. Later that evening, the celebration continued at the iconic Tavern on the Green, where guests enjoyed themed buffets, plenty of family-friendly activities and special guests, including Mr. and Mrs. Met, Sofia the First and Spiderman. The event, which raised an incredible \$1.8 million thanks to a generous community of friends led by presenting sponsors American Packaging Corp. and LiDestri Foods, closed out with spirited dancing into the night.

CAMP CHALLENGE

A little bit of rain didn't dampen the enthusiasm of the 225 runners, walkers and spectators who gathered in May for this year's **Camp Challenge**, which raised \$84,000 thanks to the fundraising efforts of participants. The festivities kicked off Friday evening with the overnight Cabin Circle experience for teams who raised more than \$2,500, which included a buffet dinner and cozy bonfires. On Saturday morning, more teams and individuals joined for the 6-Hour Trail Run and Bandit 5K. After each participant crossed the finish line, they reveled in their accomplishments while enjoying lunch, live music, medals and more!

FOUNDATION SPOTLIGHT

Ho | Chiang
The Y.C. Ho | Helen & Michael Chiang
Foundation

Y.C. Ho/Helen & Michael Chiang Foundation is dedicated to patients and families facing serious illness with a goal of providing palliative care to those who need it when they need it. When the Foundation learned of the Hole in the Wall and especially its Hospital Outreach Program, they felt drawn to provide support because of both the hospital-based and on-site Camp programs that serve seriously ill children in the Northeast, where the Foundation is based. Since 2018, the Foundation has generously donated more than \$230,000.

“The most meaningful part of our partnership with Hole in the Wall is that the Hospital Outreach Program brings the fun of Camp into hospitals where the Foundation already had long-time ongoing relationships,” shared Carol Gallo, executive director with the Foundation. “I really enjoyed hearing from both Hole in the Wall and Children’s Hospital of Philadelphia (CHOP) about their experiences with Camp Week at CHOP – especially the fun details about Slime Day!”

We are so grateful to the Y.C. Ho/Helen & Michael Chiang Foundation, and to all of our corporate and foundation partners, who, with their generous support of Hole in the Wall, are bringing joy, hope and healing to children and families during some of their most challenging times.

FUNRAISERS SPOTLIGHT

For more than three decades, car enthusiasts have proven their hearts are more beautiful than their classics with a variety of support for Hole in the Wall. Over the years, multiple groups, including the British Reliability Run, Over the Hill Gang Club and No Rules Corvette Club, have rallied their communities, raising not only funds, but awareness for Camp's mission. But it all began with the Tri-State Cruisers, whose friendship to Camp dates back to 1993.

"I've known a lot of local families that have spent time at the Camp, and it feels good doing this for the kids," said Dick Salvias, a founding member of the Tri-State Cruisers. "Over the years, we've brought a lot of new eyes, and new donors. My goal is to raise a total of \$300,000 for the Camp, and we're almost there in part because of the new people I've introduced, who continue to donate."

Hole in the Wall is so grateful to Dick and all of the generous friends who have built a passion for Camp into their love of cars. Their support has helped fuel Camp's growth, and shares so much joy with our campers.

"I've known a lot of local families that have spent time at the Camp, and it feels good doing this for the kids..."

~ Dick Salvias

FOUNDER'S SOCIETY

Barbara & David Murphy

“If we can bring this same joy to other children, we have made a difference.”

~ Barbara Murphy

Meghan volunteering at Camp

When Barbara and David Murphy's daughter, Meghan, was diagnosed with cancer as a seven-year old, their world was changed forever. Through their challenges, they found a sense of community and normalcy at Hole in the Wall, which Meghan first attended in 1991.

“I remember all those years ago driving Meghan to Camp and thinking how was I ever going to leave her here for a week or even a day,” Barbara shared. “Even with the lump in my throat and fear in my heart, my first reaction was to the beauty, calmness and serenity. But my main remembrance was the absolute joy, warmth, smiles, excitement and acceptance from the volunteers and staff.

These folks not only understood all our anxiety and fear but also put us at ease immediately.”

Today, Meghan is healthy and has a family of her own. But the impact of Hole in the Wall has stuck with the entire family, prompting Barbara and David to continue supporting Camp so that other children and families can experience the same joy they did.

“Camp changed Meghan's life,” Barbara said. “She was able to see how good life could be, even when fighting cancer. She had so much fun with the other campers. If we can bring this same joy to other children, we have made a difference. Meghan loved Camp beyond measure, so it is a blessing to pay that forward. It is important to do our part to ensure the continued success and expansion of Hole in the Wall.”

As Founder's Society members, Barbara and David are ensuring future generations of camper families can find the same hope and healing at Hole in the Wall that they did. Their inclusion of Camp in their estate plan leaves a legacy of joy and friendship. We are so grateful to Barbara, David and all of our Founder's Society members, whose generosity is so instrumental to the continued success of Hole in the Wall.

CAMPFIRE PARTNER

Jeffrey Crane

When Paul Newman founded The Hole in the Wall Gang Camp, he wanted to acknowledge luck and create something for those who have not experienced the good luck he was so fortunate to receive. Campfire Partner Jeffrey Crane also wanted to do something to acknowledge the luck and good fortune he has experienced in his life, leading him to become a donor at Camp.

“Being from Westport, I knew about Paul Newman and the Camp, and I thought it was a worthwhile cause to support,” Jeffrey said. “I believe in giving back when you can. It leaves you with a nice feeling about what you’ve done with your life. And it’s nice to be able to help kids have some happy days.”

Jeffrey was drawn to become a monthly donor because of the ease it added to his support. He was happy to have his gifts automatically managed, so he wouldn’t inadvertently forget to give. And in doing so, he also has ensured steady and reliable support for Camp’s growing programs. We are grateful to Jeffrey, and all of our Campfire Partner monthly donors, who are generously giving back to our children and families.
