Our Purpose

The Hole in the Wall Gang Camp provides “a different kind of healing” to children with serious illnesses and their families through year-round programs celebrating the fun, friendship and spirit of childhood.

Our Goal

To create ongoing Camp connections that build a joy-filled, inclusive community where children – and families in all the forms they come in – are not alone in their challenges and more than a diagnosis. All programming is intentionally designed to meet every individual’s unique needs and offered at no cost to families thanks to the generosity of others.

Our Impact

Through overnight camp experiences supported by a significant, yet unobtrusive medical presence as well as off-site Family and Hospital Outreach programming, Hole in the Wall serves thousands of children and family members annually throughout the Northeast and Mid-Atlantic.

Our Founder

A legendary actor and visionary philanthropist, Paul Newman founded The Hole in the Wall Gang Camp in 1988 so children with serious illnesses could just be kids, and “raise a little hell” while experiencing diverse and transformational friendships that go hand-in-hand with Camp. Paul’s innovative spirit, creativity and playfulness remain at the heart of all Hole in the Wall programming. His legacy is carried on each year by the thousands of donors, volunteers, staff and other friends who have made his dream their own.

MOST WANTED AWARD

CONGRATULATIONS TO SHERRY MALONE AND DAVID SHAVOR

On behalf of The Hole in the Wall Gang Camp and its Board of Directors, we celebrate the faithful friendship of Sherry Malone and David Shavor, whose longstanding support has continued to grow Founder Paul Newman's dream of "a different kind of healing." For nearly two decades, their profound generosity has made a tangible, transformational impact on the lives of thousands of children with serious illness and their families. Through multi-faceted, thoughtful giving, they have created joy-filled, healing spaces where our campers can be their truest selves as they remember they are not defined by a diagnosis. Because of their compassionate commitment, Hole in the Wall will continue to share hope and community with those most in need of the magic of Camp for generations to come.

With full hearts, deep appreciation and a "hole" lot of love, we are honored to present Sherry Malone and David Shavor with the "Most Wanted" Award on this 19 day of September 2026.

Giving back. Our way of paying it forward.

Travelers is a proud sponsor of The Hole in the Wall Gang Camp and its can-do spirit. We hope you enjoy the annual Fandango Benefit Gala.

THE HOLE IN THE WALL GANG CAMP
PRESENTS

35TH ANNUAL

B I G A P P L E B A S H

SATURDAY, NOVEMBER 7, 2026

Join us for a "hole" lot of mesmerizing Big Apple Bash fun in Manhattan! Camp supporters will enjoy an evening reception at the iconic Tavern on the Green, with festivities including cocktails, hors d'oeuvres, dinner and dessert buffets, music, and activities for all ages. Along with Presenting Sponsors American Packaging Corporation and LiDestri Foods, we invite longtime and new Camp friends to gather and champion Hole in the Wall's growing programs.

Paul Newman founded Hole in the Wall in 1988 so children with serious illnesses could just be kids while finding a community of friends who understand their challenges. Hole in the Wall now provides "a different kind of healing" to more than 40,000 children with serious illnesses and family members annually – all completely free of charge. For many of these children and families, Hole in the Wall provides multiple experiences throughout the year at our locations in Connecticut and Maryland, in nearly 40 hospitals and clinics, directly in camper homes and communities, and through other outreach activities across the Northeast and Mid-Atlantic. Paul's innovative spirit, creativity and playfulness remain at the heart of all Hole in the Wall programming.
