# Per Diem Nurse Job Description

## Job Requirements

- Must be at least 18 years of age.
- Registered Nursing Degree (BSN preferred).
- Current Connecticut RN license (prior to arrival at Camp).
- Current CPR certification.
- Current PALS (Pediatric Advanced Life Support) certification (prior to arrival at Camp).
- Physically and mentally capable of handling the care of campers.
- Be familiar with and enforce all safety policies, emergency policies and Camp policies.
- Serve as a role model and provide support to Camp volunteers.
- Commitment to foster a community that celebrates inclusivity and our Camp values, which are inclusion, gratitude, possibility, friendship and safety.
- Be flexible with the changing needs of the program.
- The ability to work with a diverse community in a multicultural environment.
- Perform other duties as deemed necessary by Camp leadership.
- The time commitment includes shifts from June to August.
- Per Diem Nurses are required to complete orientation and 4 shifts/per month for the duration of the contracted period.
- Pediatric inpatient and/or emergency experience is valued.

## Job Summary

Per Diem Nurses complement the residential nursing team within our traditional summer program. The Nurses work as a team, along with the rest of our infirmary staff, to manage both scheduled and walk-in needs of campers, dispense medications, chart in the electronic medical record, and triage needs. Per Diem Nurses are also an integral part of our emergency response team.

## Job Responsibilities

- Provide nursing services to Campers and families in accordance with the standards of practice of a professional nurse, Camp's policies and procedures, state and federal regulations.
- Demonstrate clinical expertise and use the nursing process to provide safe, appropriate patient care to the Camp population according to Camp's policies and standards.
- Make clinical and procedural decisions using the nursing process.

- Provide primary nursing care to Campers aged 7-18 in the traditional summer program. This includes medication administration (PO, GT/JT, IV, SQ, inhaled, and topical), procedures (IV placement, blood draws, wound care, etc.) assistance with ADLs, assistance with meal planning, supervision at high-risk activities, and emergency care.
- Triage acute issues among campers and staff.
- Serve as a role model and provide support to infirmary volunteers.

## Reports to

The Per Diem Nurses are directly responsible to the Director of Nursing.

## Our Commitment to Diversity

In keeping with Camp's core values, Hole in the Wall fosters a community of purposeful inclusion through a commitment to diversity and equity.
